

Privacy

Kiely & Co. (creators of beep) have the utmost respect for the privacy of your data.

Personal Data

Your personal personal contact details or data will not be shared with any third parties without express prior permission.

Information

We will only use the information you share with us to send regular communications. You have full transparency into that information. If you should want to correct or to delete any of the information at any point, or you want to know any other details of our privacy policy please do so by contacting admin@wearebeep.com

Basic Account Information

Kiely & Co. may use your contact data to contact you directly via email or sms. By providing us with your phone number, you agree to receive text messages from Kiely & Co. You agree to receive notifications via email and sms. You can unsubscribe at any time by contacting admin@wearebeep.com

If you email us, we will keep the content of your messages, your email address, and your contact information to respond to your request.

We will use information about who you have communicated with, and when, to better understand your likes and dislikes, to protect the safety and integrity of our platform, and to inform the development of better services.

We receive information when you view content on or otherwise interact with our services, which we refer to as "Log Data." This Log Data includes information that may include your IP address, browser type, operating system, pages visited, location, your mobile carrier, device information (including device and application IDs) and search terms. We also receive Log Data when you click on, view, or interact with links on our services. We will use Log Data to analyse website usage

usage and use the analysis to inform next stage development, to make sure we can improve the service to support the growing community even better.

We may receive Log Data that includes web pages visited by you from links on this website. We use this information to better understand what you like better and to protect the safety and integrity of our platform and its users.

Law, Harm, and the Public Interest

Notwithstanding anything to the contrary in this Privacy Policy or controls we may otherwise offer to you, we may preserve, use, or disclose your personal data if we believe that it is reasonably necessary to comply with a law, regulation legal process or governmental request to protect the safety of any person; to protect the safety or integrity of our platform, including to help prevent spam, abuse, or malicious actors on our services to address fraud, security, or technical issues; or to protect our rights or property or the rights or property of those who use our services. However, nothing in this Privacy Policy is intended to limit any legal defences or objections that you may have to a third parties, including a governments, request to disclose your personal data.
